Powder Puff

This year's Powder Puff game was a real upset. The Juniors came from behind to barely rush by the Seniors 24-6. When asked to comment on the teams after the game, one spectator said, "Both teams played an excellent game." When asked about the officiating, he replied, "No comment."

The outstanding players were:

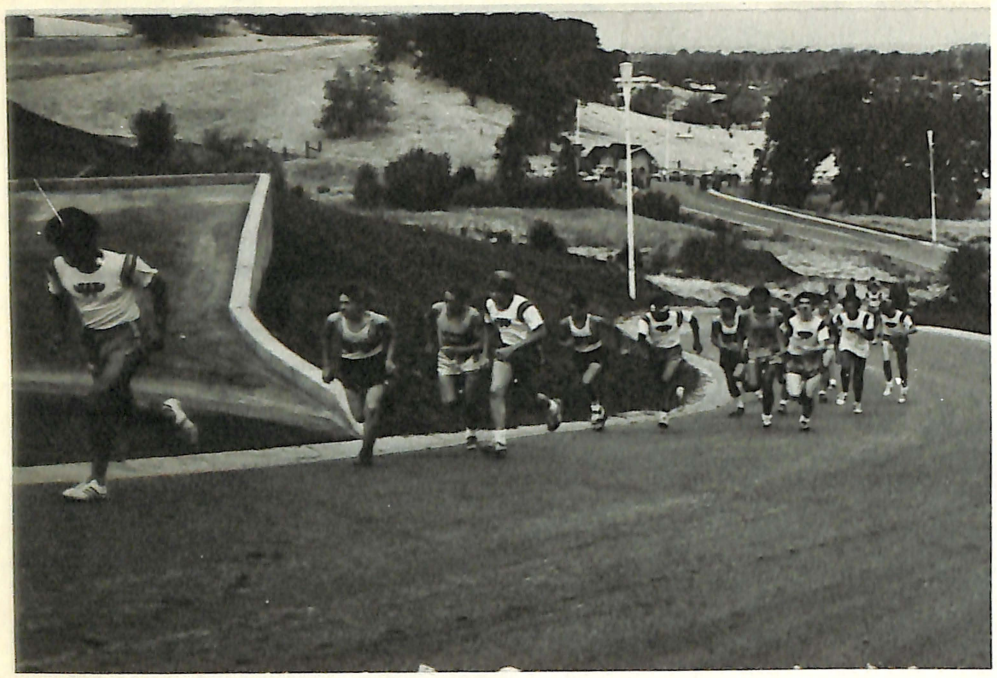

Juniors: Denise Crews

Seniors: Carolyn Wernli

The Senior coaches were unanimously chosen Coaches of the Year. The plaques were presented to George Butler, Gary Bush, and Greg Gojkovich immediately following the game.

The Vacaville Chapter of the Future Farmers of America is a club for all boys and girls enrolled in Vocational Agriculture. This Club is very active in school competitive events such as livestock judging and local county fairs.

Members in this club may earn four degrees– Green Hand, Chapter Farmer, State Farmer, and American Farmer– as well as other honors and college scholarships.

In addition to the regular FFA meetings and the aforementioned activities the Vocational Agriculture classes make numerous field trips for the purpose of "learning by doing". Officers of the FFA and selected delegates attend Regional, State and National FFA and Conventions as delegates of the Vacaville Chapter, with most expenses paid.

Any student who has a genuine interest in agriculture, whether he lives in town or in the country, is eligible for Vocational Agriculture and the FFA. Farming projects required do not have to be livestock.
